About the Award

This scholarship is provided to support an individual in the development of a project that contributes to the foreign language teaching profession and advances quality language instruction. The Mead program was created to develop future leaders for the profession at the state, regional, and national levels. It is supported in part by SANS, Inc., and we are grateful to the company for their contributions to our profession and to NECTFL. Educators of ALL LANGUAGES at ALL LEVELS are encouraged to apply to this program, designed to identify potential leaders in education and to support the development of their potential. Each scholarship recipient will be assigned a mentor with expertise in the area of that person's project, and NECTFL will facilitate virtual and, if possible, face-to-face meetings of the two.
